

Hello all,

I'm running in The Sun-Herald City2Surf and I'm trying to raise as much money as I can for the [Steve Waugh Foundation](#).

Please dig deep to sponsor me. It only takes a few seconds.

The Steve Waugh Foundation is committed to a coordinated approach to the service, identification, treatment and research of rare diseases to improve the quality of life of children affected by rare diseases (0-25 years of age).

The rare disease patient is the orphan of the health system, often without diagnosis, without treatment, without research and therefore, without reason to hope.

Spread the word or join me in the run and send to as many people as possible.

Please visit Cricket NSW Team Waugh's Fundraising Page at:
http://www.everydayhero.com.au/cricket_nsw_team_waugh

Thank you very much.

Luke
