

MORE SILVERWARE FOR OUR SHENFIELD COLTS

Despite the wet weather on Bank Holiday Sunday, our U15 squad secured a share of the Div. 1 U15 League Title and retained the John Burrows cup for Shenfield CC in a convincing victory over Hutton CC at Shenfield .

Finishing on level points with Brentwood in the league, the CEDCB has decided that the title be shared between the clubs (despite our U15 Colts emerging victorious when the teams met earlier in the season)!

This is a great achievement for the boys with nearly all the squad playing up a division this season.

Whilst the game progressed, word was received that due to Brentwood conceding a planned fixture in the coming week, our U15 team also secured the Mid-Week League Title as well.

Since this win, the team has also reached the final of the League Cup, coming through the semi final with a win over Maldon CC.

They face Brentwood CC this coming Sunday at Bentley CC in the final.....We wish the team well and look forward to celebrating their cup success on Sunday!!!
