

Brian Taylor Trophy Final – 2018

Securing their place in the final of the inaugural Brian Taylor trophy, which replaced the Peter Coe Cup this year, Shenfield came up against the tournament favourites, Saffron Walden.

The final took place at The Essex County Ground and having secured their place in Shenfield Cricket Club history as the first ever U13 team to reach the final of this competition, confidence was high.

However, a great performance from Saffron Walden saw them victorious on this occasion and resulted in our boys finishing as runners-up.

This was a fantastic achievement from a young group of players who played some strong teams in the campaign and were rewarded with the chance of playing at the County Ground, something not every player achieves in their playing career.

Many thanks to all of the parents and members of the club who came to support the team and a special thanks you to both Richard Small and Garry Griffin who took charge of the lads at the Final and Jon Arnold who was the club's official scorer for the game.

Back Row: William Howard, Nikhil Roy-Mukherjee, James MacCallum, Xavier Mederios, Tom Arnold, Adam Pryor, Ben Icceton, Matt Pryor (Manager).

Front Row: Evan Ackerman, Dillon Small, Alex Freeman, Max Toolan, Louie Griffin, Ethan Walker.

The boys after being presented with their medals.
