Shenfield Cricket Club legend David Castell has won his very own OSCA.

Aimed at recognising those individuals who give so much of their time to the sport, the ECB NatWest Outstanding Services to Cricket Awards provide the opportunity to say thank you for all of the incredible work done and celebrate their success with them.

A judging panel, selected by Essex Cricket agreed with all those who nominated Dave that he was a worthy winner for all of his work with the clubs AllStars scheme this summer.

Not only was Dave the driving force behind the success of the scheme, by creating a fantastic all round experience for both the parents and the children, his enthusiasm for the game of cricket continues to be an inspiration for players of all ages and abilities at the club.

All clubs rely on volunteers to help them run successfully and it is with immense pride and enormous thanks that Shenfield Cricket Club have the support of David within the Colts section of the club.

David will go on to represent Essex at the NatWest OSCAs at Lord's on Tuesday 9th October 2018.
