

U13 Division 2 League Champions - 2018

The season continues to be a success for our U13s, not only were they the first ever Shenfield team to reach the final of the Brian Taylor Trophy, the team secured the U13 Division 2 League title yesterday with a win over Chelmsford.

Following the disappointment of the Brian Taylor Trophy Final last weekend, which saw the team loose to tournament favourites, Saffron Walden, the boys bounced back on Sunday with a 6 wicket victory against Chelmsford, making them League Champions for 2018 having played and won all of their league games.

This is great achievement for the boys who have played some exceptional cricket this season and it is envisaged that

this squad of players will have great success at the club in years to come.
